Lumos Glow - Smart Bulb

English

WORKS WITH
alexa

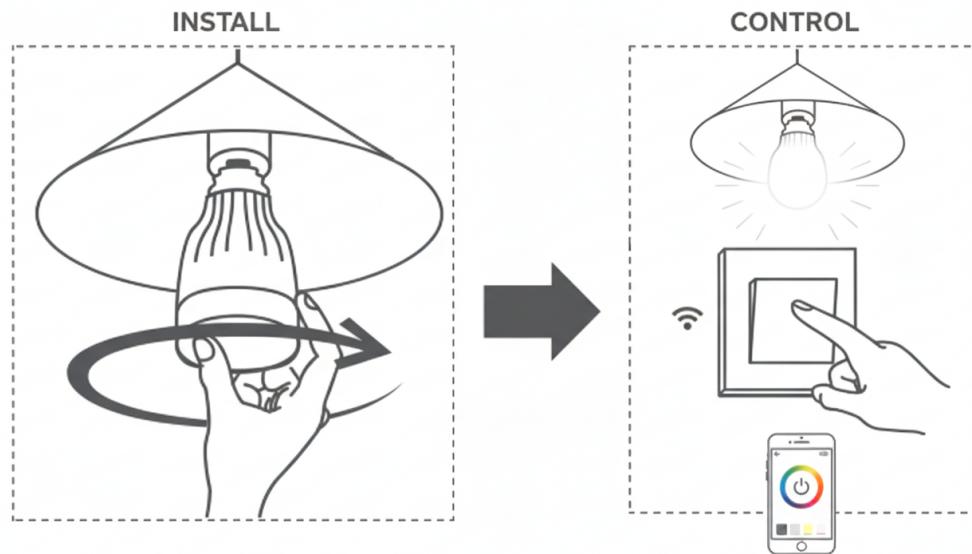

WORKS WITH
Google Assistant

Installations Steps

01 Install the Light Bulb

Install the light bulb and turn on the power.

Notes:

1. Make sure that the power is off when installing, removing, or examining the light bulb.
2. Do not use this product in a lamp with a dimmer (e.g. a desk lamp with a round dimmer switch) to avoid damaging the product.
3. Do not use this product in a damp environment.
4. Do not use the light bulb in a narrow and ill-ventilated lamp shade as it may cause weak signals or heat dissipation issues.

02 Connect with Zeswin App

This product works with the Zeswin App. Control your device and integrate it seamlessly with other smart home products through the Zeswin ecosystem.

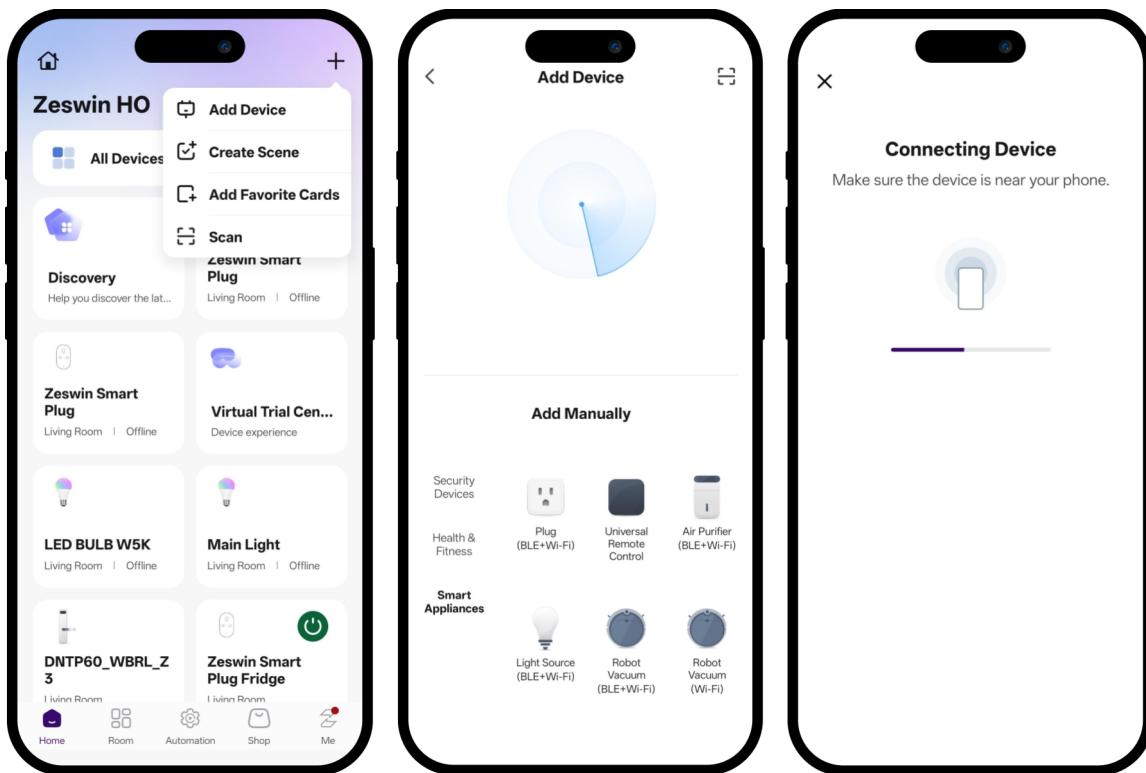

Getting Started: Scan the QR Code to download and install the Zeswin App. If the app is already installed, scanning the code will take you directly to the device connection page. Or, search “Zeswin” in the App Store or Google Play to download and install the app manually.

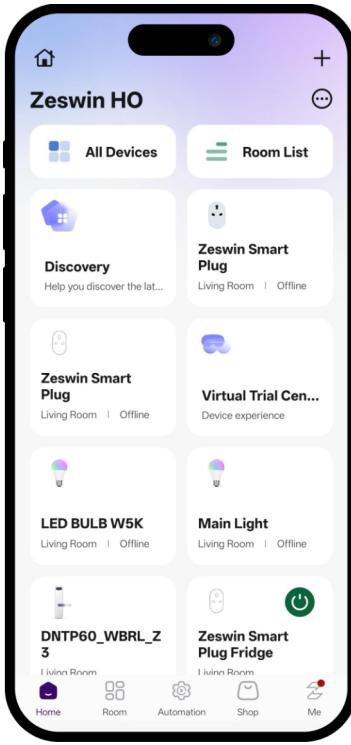

Register or Login:

Download “Zeswin” Application and login.

Tap “+” and select “Add Device.” When the new screen opens, choose your plug and wait for the connection to complete.

You will see your Bulb in the Home Page.

03 Connect with Alexa and Google Home App

1. Launch Zeswin App, Go to the “me” section.
2. Tap on Alexa to connect with Alexa.
3. Tap on Google Home to connect with Google home.
4. Your Alexa or Google Home device name will be shown. Wait for the connection to be established.

Service

- 1.During the free warranty period, if the product breaks down during normal use, we will offer free maintenance
- 2.Natural disasters/man-made equipment failures, disassembly and repair without the permission of our company, no warranty card, products beyond the free warranty period, etc., are not within the scope of free
- 3.Any commitment (oral or written) made by the third party (including the dealer/service provider) to the user beyond the warranty scope shall be executed by the third
- 4.Please keep this warranty card to ensure your rights
- 5.Our company may update or change the products without notice. Please refer to the official website: www.zeswin.com

Recycling Information

All products marked with the symbol for separate collection of waste electrical and electronic equipment (WEEE Directive 2012/19 / EU) must be disposed of separately from unsorted municipal waste. To protect your health and the environment, this equipment must be disposed of at designated collection points for electrical and electronic equipment designated by the government or local authorities.

Correct disposal and recycling will help prevent potential negative consequences for the environment and human health.

To find out where these collection points are and how they work, contact the installer or your local authority.
